The prior art of record (Sull, US 2002/0069218, and the Applicant's admitted prior art) fails to provide the basis of obviousness in which the UMID is employed in the instant Application so that the plurality of video material items are accessible and retrievable using URL specifically associated with a UMID, in conjunction with the remaining, salient claim provisions as claimed in claim 1. Similar features are claimed in claims 10, 11, 12, and 17-19; therefore, claims 10, 11, 12, and 17-19 are allowable over the prior art of record for the same reasons.

Claims 2-9, and 13-16 are allowed over the prior art of record, because it is dependent from the allowed base claims.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
